We declare that we have taken note of the complete specifications, technical drawings, general conditions of the premises and all addenda that have been issued, and of other documents concerning the work necessary for the supply, manufacture and installation of the products described in the attached specifications in Appendix A and plans in Appendix B of the above-mentioned project.

We undertake to supply the labour, tools, equipment and materials necessary to carry out the work involved in supplying and installing the products described in the attached specifications and plans of the above-mentioned project.

We declare that we have taken note of the requirement to produce a proposal that includes all the lots of the above-mentioned project and we undertake to supply for all of them.

Having examined all specifications, technical drawings and addenda, we propose to complete the work involved as outlined through to completion for the following total prices:

Lot 1 - Workstations \$		dollars
Lot 2 - Seating \$		dollars
Lot 3 - Tables \$		dollars
Lot 4 - Security type furniture \$		dollars
Lot 5 - Storage \$		dollars
Lot 6 - Equipment \$		dollars
Lot 7 - Specialized equipment \$		dollars
Lot 8 - Laundry furniture \$		dollars
Lot 9 - Bins \$		dollars
TOTAL \$		dollars

Prices include materials, manufacture, labour, related work, tools, equipment, delivery and installation.

No taxes are included. The market price is fixed and invariable for one (1) year following the date of submission of the proposal, in spite of changes in the cost of labour or materials or other costs.

THE UNDERSIGNED AGREE AND CERTIFY

That we have carefully considered and evaluated the premises and the difficulties involved in carrying out the work, such as access to the site, distances to be covered in bringing in and taking out materials, and the availability of water-mains service, drainage, electricity and power.

That we have received all documents related to this proposal: Information and instruction to bidders, additional instructions to bidders, proposal form, performance criteria, price breakdown form, particular conditions relating to the building, schedule and addenda, and that we consider them satisfactory.

That we undertake to comply with all conditions and specifications set out in the said documents.

That we guarantee that we will completely carry out all work included in this contract, in accordance with the agreed schedule, starting from the start of work date stipulated by the designer, and that we accept liability for any damages resulting from delays in the execution of the work.

PROPOSAL FORM

That the bid price takes into account the fact that all work must be carried out without hindering the client's normal operations.

That the bid price takes into account the fact that all work must be carried out during normal business hours.

That, on request, we agree to provide a schedule listing the various jobs mentioned in the above-mentioned specifications and technical drawings, giving approximate start and end dates for each of these jobs.

That the price submitted is final and includes all profits and expenses, including cost prices, services, customs duties, administration, coordination and transportation costs, costs of security guards, use of the loading dock, third-party liability insurance premium and bond if required, costs of permits and all other costs incurred in the completion of this project.

That any increase in costs has been allowed for and that in no circumstances will an adjustment be made.

That when contract documents are drawn up in French and in English, it is agreed that in the event of discrepancy between the two versions, the English version shall prevail.

That if the client accepts this proposal, we undertake to prepare a purchase order with the complete specifications by way of a contract, signed by the two parties for the performance of the work mentioned, at the price given.
