

The MAAMUU UHPICHINAAUSUUTAUU committee will be hosting a Traditional Parenting conference on July 23, 24 and 25, 2019 in Mistissini.

The goal of this conference is to provide a sharing platform for parents from across the Cree nation to come and learn from elders as well as share and exchange on parenting then and now. The conference will also provide some time to reflect on the future of parenting "Chitaaniskutaapaaniminuuch", Our Future Generations.

The local Maamuu Coordinators will be taking family applications. Two families (Mother, father and child under two years old) will be chosen by the organizing committee (all expenses covered). Other families who wish to join will be participating at their own expense or through sponsorships that they will seek in their communities.

DEADLINE TO APPLY: June 28, 2019

For more information, contact your local Maamuu Coordinator
